

**OXYMATIC CONTINUES
ITS INTERNATIONAL EXPANSION
BY ENTERING THE RUSSIAN MARKET**

MARCH 2014

Oxymatic®

¡WE WERE THERE!

- AQUA SPA Moscow, 13 - 16 of March
- BALTIC EXPO Kalingrad 13 - 15 of March

RUSSIA, A HUGE GROWTH POTENTIAL!

- The massive success of **OXYMATIC** on both fairs showed that the Russian market is seeking for truly eco-friendly systems.
- The large number of visitors on the stands and the many positive reactions received, confirm the great interest for the ecological water treatment system **OXYMATIC**, based on ABOT technology.
- Undoubtedly, there is an optimistic future expansion for the system in Russia.
